**ANNUAL REPORTS  
OF THE  
TOWN OFFICERS  
OF  
STODDARD, N.H.  
FOR THE YEAR ENDING  
DECEMBER 31, 2000**

## IN MEMORIUM

Lucy Brown Hill lived in Stoddard for over 60 years. Lucy was very active in town affairs and served roles on many town boards. She served on the planning board and school board. She was a member of the Historical Society, Bicentennial and Old Home Days Committees. For many years she was a teacher's aide at the one room schoolhouse and served as school clerk and drove the bus. At one time every child attending school in Stoddard rode her bus. She and her husband Charles were leaders in the Pitcher Mountain 4-H club for over 30 years. She was a charter member of the PTA. Lucy loved this world from October 31, 1917 to December 4, 2000. She was a wonderful wife, mother and grandmother, but most of all she was a friend. Her smile and her garden will be greatly missed.

## SELECTMEN'S NARRATIVE

This year we saw our tax rate drop from \$13.39 to \$12.50 per \$1,000.00 of valuation. That's good news, considering the cost of most things continues to increase. This 6.6% savings when added to the inflation rate is actually closer to 9%. Three of the four components of our tax dropped, while the portion paid to Cheshire County increased by \$ 0.15.

The school dropped by \$0.80, making it the largest single reduction in the total bill. The effects from the retirement of bonds, used to finance the 1991 renovation, were noticed this year. A one-time deficit appropriation from the prior year was also eliminated. We received first-time assistance from the Catastrophic Aid Bill, which funds a portion of special education costs. This offsets abnormally high charges for an individual with special needs. The reimbursement occurs the year after the costs are incurred.

The State Property Tax was \$170,207.00, exactly the same amount as paid last year. The reason our charge dropped by \$0.02 was due to the total valuation of the town increasing, as it usually does. This is a result of new homes and improvements to existing ones.

The Town portion of our bill dropped by \$0.22 for several reasons. The most obvious is a smaller budget, which is no small task. We too enjoyed a larger tax base, but that's not what deserves the attention. In 2000, we took \$39,000.00 from reserves to reduce taxes. As we read of towns and school districts with serious deficits, we actually enjoy the opposite problem. We asked the state to use a portion of the excess reserves when calculating our tax rate. This returns the funds to the taxpayer in the form of a savings. You might then expect to see the reserves fall by the amount used in the reduction, but not so. Our reserves fell by \$10,037.94, meaning that we realized an additional surplus of \$28,962.06, which offset most of the draw upon reserve funds. We are also pleased to report that we borrowed no money during the year, but we did receive investment earnings from our savings.

We continue to be the only Donor Town in the region, and active in the Portsmouth Coalition. The suit filed against the State by 27 towns recently found that the method of calculating the State Property tax is flawed, the thus unconstitutional. Demands by the State Department of Revenue Administration have placed a warrant article for a complete revaluation before this year's town meeting. They are also correcting problems associated with how valuations are done, as a result of the ruling. The decision has been appealed to the NH supreme Court while the State Legislature struggles with a solution. Voters rejected a similar article two years ago, and that was before the demands by the State Department of Revenue. The Town had a complete revaluation done in 1990 by the State, the first one ever. It is interesting to note that when the constitutionality of the State's Property Tax calculation method is challenged, how quickly our valuation becomes obsolete.

## REPORT OF TAX COLLECTOR

Stoddard Tax Payers:

I have been your Tax Collector for twenty years. I have found this job to be an enjoyable, interesting and sometimes quite a challenging experience.

I wish to thank the town for allowing me to go to certification school for the past three years, for one week each July. The first two at the University of New Hampshire and the third year in Concord. I learned a lot at these classes, which helped me tremendously. I am now a Certified Tax Collector!

A privilege that my position has made possible is that I am a County Coordinator for Cheshire County Tax Collectors' Association, which I enjoy. This has brought me a way to help other Tax Collectors and I have received a lot of help from them.

I am also on the State Tax Collectors' By-Laws Committee. I feel that I receive much more than I give to these committees, especially from the interaction with other Tax Collectors.

It meant a lot to me to be acknowledged last year in the Town Report and that it was dedicated to Joan and I.

Thank you for your support,

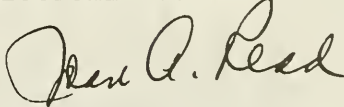

Charlotte H. Pratt  
Certified Tax Collector

## AUDITORS REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of the Trust Funds, Cemetery Commission, Library Trustees and Boat Permit Agent have been examined pursuant to RSA: 41.31 for the year ending December 31, 2000.

In the opinion of these Auditors, the above accounts, together with their financial statements, present fairly the financial position for the year end of the Town of Stoddard. These records also conform with generally accepted accounting principles applied using the cash basis method.

Respectfully submitted,  
*Virginia R. GrandPre`, Auditor*  
*Walter Serbent, Auditor*

## STODDARD FIRE & RESCUE DEPARTMENT 2000 ANNUAL REPORT

In 2000 we responded and participated in a total of 154 emergency calls and activities:

40 Rescue calls	25 Fire calls
15 Motor Vehicle accidents	50 Radio calls
12 Training meetings	12 Business meetings

The boat house is complete and gives us better access and response time in the new building. During the winter months we house the brush truck outfitted with the Ice Rescue alive sled, supply sled and winter equipment all loaded and ready for a faster response.

Our new billboard posted out in front of the station allows us to better communicate with the community and keeps the public informed of upcoming events and activities.

The Halloween party proved to be a big success. With the help of the Women's Fellowship, it provided us the extra help needed to have the event. A total of 113 pumpkins were presented to the Keene Pumpkin Festival on the following day.

The fire station is approximately 25 years old and in need of some maintenance issues. We hope to be addressing these issues over the next few years to keep things in working order and up to date.

We all thank the townspeople for their support and help over the past year.

Respectfully submitted,

Brian Cahill, Fire Chief  
Joe Sarcione, Deputy Chief  
Wally Weaver, Captain  
P.J. Lamothe, Rescue Captain  
Shannon Sarcione, Lieutenant  
John Wilder, Rescue Lieutenant

## TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department<sup>6</sup> for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at [222.dred.state.nh.us](http://222.dred.state.nh.us).

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fireplaces and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

## STODDARD POLICE DEPARTMENT REPORT

This Department continues to be a three position, part-time Police Department. The Police Chief/Constable and two (2) patrol positions. At this time, all positions are filled. During the latter part of 2000, this department filled the second part-time position with the addition of Officer Richard Sault. "Rick" comes to us with full Police Standards Certification and 14+ years experience in Law Enforcement. With the added constraints placed on Departments by Police Standards and Training effective 01 January, 2001 of new hires requiring very extensive background investigations, psychological testing, polygraph testing and rigid Physical examinations, all of which cost between \$3000 - \$4000 to complete, it was imperative that this Department bring a Certified Officer on board before 31 December 2000. Welcome aboard Rick.

Complaints of vehicles speeding on Route 123 continue to increase. Patrol hours spent on this issue have increased. In addition to answering calls for service our efforts will continue to focus in this area. During the year 2000, approximately 200 vehicles were stopped for various violations, mostly for speed in excess of 50 MPH, resulting in the writing of nearly 80 summonses. We will continue to maintain a high patrol rate in the areas of concern, mainly to attempt to "slow" people down so that the residents of Stoddard can walk safely on the side of Route 123.

We have added a program called "Crimestar" to the Department computer. This program has been sanctioned by the State of New Hampshire. It will enable the Department to maintain more efficient record keeping for all areas of Law Enforcement. In the past, we have kept records on paper creating a massive paper trail. With the addition of this program, record keeping will be much more accurate and accessible.

During the past year we have acquired a \$5000.00 Laptop Computer from the State of New Hampshire through a Federal Grant and at no cost to the Department. This computer is intended to be mounted in the Cruiser and will eventually allow us to perform license checks direct to the database in Concord. It was also designated to assist at accident scenes by documentation of information such as the exact location, people and vehicles involved, extent of injuries if any and property damage. This information enables the State to pinpoint locations of incidents for State record keeping.

The subject of updating the radio communications system has been the focus of many law enforcement departments throughout 2000. Many meetings both at County and State levels have been conducted to plan and discuss adding digital radio communication to small Departments. Several problems, including the funding for the new "Astro" radio system and the placement of needed antenna towers, added frequencies from the Federal Communication Commission have been addressed. These meetings are ongoing and remain without solutions. The State Police are now using the digital system at this time. Small departments such as Stoddard are still functioning with the Analog system. Communication with the State Police is "spotty" unless they monitor the old system manually. For the most part,

we continue to use the Keene Mutual Aid system for contacting State Police. The State of New Hampshire received Federal Grants allowing them to update their communications to digital. As of this writing, all State Cruisers and Troopers are equipped with digital radios to include portable radios. A new Astro radio costs upwards of \$3200.00 for a patrol unit and over \$2000.00 for a portable radio. Further Grants from the Federal Government by the State are in the works to assist small towns in updating communications, but it is not known at this time if the town will have to pay any portion for updating.

The 1995 Ford Bronco Cruiser remains a concern of the Department. Although it does not have a great deal of mileage, approximately 40,000 miles, the maintenance expenses increase4d dramatically in 2000. Also, an Operating After Suspension arrest was made in August which had the makings of creating serious consequences with the need to place the subject next to the Officer in the front seat. Although the subject was handcuffed and seat belted, the trip to Troop "C" from Stoddard was hazardous because the subject had been drinking, went through periods of being passive and would become aggressive and abusive without warning. Kicking the interior portion of the front passenger seat was the method of displaying his aggression and anger. Fortunately, nothing was damaged, however, this subject had many opportunities to damage or destroy the radio tower. A 4-door vehicle with a cage needs some serious consideration.

In closing, we wish to remind everyone that in case of an Emergency please call 911. If it is not an Emergency and you would like to talk to a Stoddard Police Officer, you can reach us either at the Department, 446-3597, or through Mutual Aid non-emergency, 352-1291.

Respectfully Submitted  
David Vaillancourt, Constable/Police Chief

## PLANNING BOARD REPORT 2000

2000 proved to be another active year for the Stoddard Planning Board. In addition to the normally scheduled meetings, the Planning Board held several work sessions and conducted a site visit during the year.

The Planning Board came in well below the expected budget for 2000. It was anticipated that several Public Hearings for the Master Plan update would require noticing during 2000. These hearings are now likely to occur sometime during 2001.

Two subdivisions were approved during the year and work on a Junk/Junkyard ordinance is continuing. This ordinance has proved to be a very complex issue and the board is making every effort to craft an ordinance with the community's best interest in mind.

Significant progress is being made concerning the update to the Master Plan. The Master Plan Advisory Committee and Planning Board completed development of the *Stoddard Master Plan Update Survey*, and the survey was sent out late September. The Master Plan Advisory Committee has been working very hard in November and December to compile the results. The outcome of the survey will be used as input for developing the goals and objectives for the Master Plan Update. Thank you to all who took the time to fill in the survey and return it, and to the Master Plan Advisory Committee for their excellent effort.

It is anticipated that public hearings will begin to occur early in 2001 to address each section of the Master Plan as it is rewritten. A lot of work will still need to be done for the update and once again I ask that the community support this effort in the coming year.

I would like to thank all the members of the Board for their patience and support during this past year. Your commitment and enthusiasm is greatly appreciated. In addition, a special thanks to Patricia Putnam for the extra effort she made in getting the survey mailing out and collected.

## ZONING BOARD OF ADJUSTMENT 2000

2000 was a “quiet year” for the ZBA. We held three hearings for Variances this year, one relating to the sign ordinance, and two both relating to the 25 foot lot line setback. There were no hearings for a “Special Exception”.

Members of the board attended the fall seminar put on by the NH Municipal Association in an effort to keep the town informed of the ever changing “face of zoning” statewide. We find this service provided by the Municipal Association an invaluable tool for us to stay updated. Court findings on zoning challenges across the state are reviewed and this helps us stay abreast of things “in the wind”. Our growth here in the “Quiet Corner of NH” has been subdued compared to the eastern side of the state, but inevitably we will feel some of that growth pressure in the future and we hoped to be prepared.

Fortunately for the Town, all of the board members remain active and we have a full set of 5 members, and 2 alternates who are able to serve if need be.

## DAVIS PUBLIC LIBRARY

The Library is open Thursday evenings 7:00 p.m. to 9:00 p.m. and on Saturday mornings 9:30 a.m. to 10:30 a.m.

Approximately 800 books, magazines, videotapes and audio books were donated to the library in 2000. 150 new books and videos were also purchased during the year. The library currently receives *National Geographic*, *Smithsonian*, *Country Guidepost for Kids*, *Dartmouth Medicine*, *Boys Quest*, *Highlights for Children*, *Taste of Home* and *Quick Cooking* magazines.

Three tubs of flowers and two window boxes were placed at the library by Mary Lou Stymest and cared for by her during the season. Wreaths were placed at the library by Mary Lou for the Holiday Season.

A new storm door was installed at the library this year.

Landscaping was done this year by Kyle Williams as an Eagle Scout project.

Thanks to all who helped on the book sales.

The library continues to subscribe to the Junior Literary Guild, receiving three new award winning books of different reading levels each month. The library now has a large collection of videotapes and a smaller collection of audiotapes. Earle Lund and Alan Rumrill designated their Rotary Bookshelf contributions to the Davis Library during 2000. Louise Johnson, Phyllis Sawyer, the Matson family, Do Secco, and Kay Holda made cash contributions to the library.

We extend our thanks to all of those who made donations to the collections during 2000. These included Phyllis Sawyer, Lena Vaillancourt, Do Secco, Kay Holda, Patty Hill, Nancy Bailey, Louise Johnson, Ellen Mason, Ruth Moe, Eunice Fiske, Mr. & Mrs. James Kelly, Angie Rollo, Vida Ostrowski, Pat Campbell, John Secco, Robert & Sue Weldwood, Joann Vaillancourt, Jane Rokes, Rich Follansbee, Ben & Ruth Bodell, Sarah Carlisle & children, Don & Kathleen Ellis, Kathleen Kingsbury, Harriet Beckwith, Barbara Dematteo, David Demars, Sandy Holland, Alan Rumrill, Joan Zelasny, Richard Bunn, and any one else inadvertently left off this list.

## STODDARD CONSERVATION COMMISSION

### 2000 Summary

The year 2000 represented a year of much accomplishment for the rejuvenated Conservation Commission (Con Com). The Con Com sponsored two successful ordinances at the March 2000 Town Meeting. The first related to an ordinance prohibiting the feeding of waterfowl on the surface waters in the Town. The reason for this ordinance was twofold: 1) to safeguard the public's health relative to *E. coli* bacteria generated from waterfowl feces, and 2) to reduce the dependency of waterfowl, in particular Canada Geese, on artificial food handouts from people.

The second ordinance pertained to a resolution to the NH General Court regarding support for a new conservation program known as the NH Land and Community Heritage Program (LCHIP). The purpose of this public/private partnership is to protect cultural, historic and natural resources statewide. This program was passed by the legislature and signed into law by Governor Shaheen later in the year.

The Con Com met with Jeff Porter of the Southwest Region Planning Commission (SWRPC) to discuss projects in Stoddard that might be eligible for LCHIP. Two parcels of land for conservation purposes were identified and a proposal was received from the Stoddard Historical Society. These projects will be submitted to the SWRPC in the year 2001.

The Con Com is participating in the Master Planning Revision Process. One of the objectives is to ensure that economic growth and zoning in the town is compatible with the natural resources that make this town special.

On Thursday, July 6th, the Con Com helped to kick-off the Stoddard Olde Home Days with a computerized presentation on Geographic Information Mapping techniques. Over 80 people attended this function.

Members of the Con Com, to review potential violations of the Wetlands and Shoreline Protection Act (SPA) rules and regulations, conducted a number of field visits. One field visit included a 2+ hour boat ride on Highland Lake, where several violations of the SPA were noted, including removal of topsoil and stumps, removal of more than 50% of the vegetation along the shoreline, buildings too close to the shoreline, and several violations involving new docks and new beaches. Some of the landowners were approached and notified that they were not in compliance. The Stoddard Con Com prefers to handle these problems on the local level first, calling for assistance from the NHDES only when landowners refuse to cooperate.

Making sure that waterfront property owners are aware of the provisions of the SPA remains the biggest challenge to the Con Com and the various lake associations. Violations of the SPA represent one of the biggest threats to the water quality of our many lakes. Problems are often compounded by the fact that many property owners are residents of other states, and are unaware of our state laws. If you are aware of activities in your part of town, that may be in violation of any state environmental regulations, the Stoddard Con Com encourages you to contact us so that the problems can be quickly corrected.

As in the past, the Conservation Commission would like to remind folks that any work involving dredging or filling in wetlands, including the placement of docks, piers, beaches, abutments, retaining walls, etc., or new construction of buildings within 250 feet of lakes and ponds requires an application to the NH DES. In addition, the Town has an established 50-foot buffer zone to wetlands and surface waters. No alteration is allowed in that zone for new construction projects, except by special exception granted through the Board of Adjustment. For additional information, residents can contact the Town Clerk, members of the Conservation Commission or contact the New Hampshire Department of Environmental Services (NHDES) Wetlands Bureau @ 271-2147 for Wetlands Permits; the Shoreline Protection Act personnel @ 271-7109 for docks, beaches, or buildings within 250 feet of the high water line; or visit the NHDES website @ [www.des.state.nh.us](http://www.des.state.nh.us) for fact sheets, rules, regulations and permits.

For the third year, the Conservation Commission coordinated Household Hazardous Waste Collection days in conjunction with the City of Keene's recycling program. Collections are held on Saturday mornings at the Keene recycling center off Route 12, north of Keene.

Residents should understand that it is their responsibility to make sure that household hazards such as batteries (auto and disposable flashlight batteries, etc.) poisons, lawn and garden herbicides/pesticides, engine oils, oil based paints, thinners, anti-freeze, etc. are taken to the recycling center and not just tossed "out back" or in a trash bag that goes into the dumpster. With over 280 million people in this country, we all need to do our part in disposing of our hazardous materials in a environmentally sound manner. Otherwise it may wind up in someone's drinking water...perhaps yours. Collections dates for this year will include spring and fall collections. Look for dates and times in the local papers and at the local Transfer Station.

Members of the various lake associations continued to conduct the annual lay water monitoring of our lakes, including Highland Lake, Island Pond, Center Pond, and Granite Lake. Unfortunately, a summary of the tests was not available in time for inclusion into this year's Annual Report. However, in reviewing the monthly reports from the state, no unusual conditions were noted. Cool temperatures and frequent rains helped to maintain surface water quality during the summer of 2000.

Two members of the Conservation Commission attended the 30th Annual Meeting of the NH Association of Conservation Commissions in Concord, NH on Saturday, November 4th, 2000. US Senator Bob Smith gave the keynote address. Members attended workshops on Wetlands and Shoreline Protection. In addition, Con Com chair Geoff Jones conducted a workshop on modern timber bridges, drawing upon the experience of the Mill Village timber bridge, finished in the summer of 2000, as on the case studies.

The Conservation Commission meets every 2nd Thursday of each month, 7 pm at Town Hall.

**HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES  
REPORT TO THE TOWN OF STODDARD  
JANUARY 1, 2000 TO DECEMBER 31, 2000**

**Annual Report**

In 2000, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Stoddard. The following information represents a projection of HCS's activities in your community in 2000. The projection is based on actual services provided from January to September 2000 and an estimate of usage during October, November and December.

**Service Report**

<u>SERVICES OFFERED</u>	<u>SERVICES PROVIDED</u>
Nursing	256 Visits
Physical Therapy	19 Visits
Speech Pathology	1 Visits
Occupational Therapy	1 Visits
Medical Social Worker	43 Visits
Homemaker	0 Hours
Adult In-Home Care	1,657 Hours
Home Health Aide	243 Visits
Nutritionist	0 Visits
Health Promotion Clinics	2 Clinics

Total Unduplicated Residents Served: 26

Prenatal care, hospice services, regularly scheduled wellness clinics and child health clinics are also available to residents. Town funding partially supports these services.

**Financial Report**

The actual cost of all services provided in 2000 with all funding sources is projected to be \$55,359.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2001, we request an appropriation of \$800.00 to meet the home care needs of Stoddard residents.

Thank you for your consideration.

**GRANITE LAKE VILLAGE DISTRICT  
MEETING JULY 9, 2000**

The annual meeting of the Granite Lake Village District was opened at 12:50 p.m. July 9, 2000 by moderator, John Halter in the absence of David Knight.

Last year's minutes were read and accepted.

David Costin read the articles to be voted in this meeting.

**Article 1.** To choose one Commissioner, Robert Woods, for a term of three years; and see whether the inhabitants of the district will elect for offices of Clerk, Sally Ripley, Moderator, John Halter, Treasurer, Tom Yocono, each for a one year term.

The motion to accept as read was appropriately moved and seconded.

The vote was in the affirmative.

**Article 2.** To see if the district will vote to authorize the commissioners to borrow in anticipation of taxes.

The motion to accept as read was appropriately moved and seconded.

The vote was in the affirmative.

**Article 3.** To see if the district will vote to raise the sum of \$500.00 to defray village district expenses for the ensuing year and make appropriations of same.

The motion to accept as read was appropriately moved and seconded.

The vote was affirmative.

**Article 4.** To see if the district will raise and appropriate the sum of \$1000.00 to purchase liability insurance to cover the district.

The motion to accept as read was appropriately moved and seconded.

The vote was affirmative.

**Article 5.** To see if the district will raise and appropriate the sum of \$500.00 to add to the capital reserve fund for dam maintenance and repair.

The motion to accept as read was appropriately moved and seconded.

The vote was affirmative.

**Article 6.** To see whether the district will vote to accept funds from the Granite Lake Association and from any other source for the purpose of maintaining, repairing, and replacing and dam.

The motion to accept was appropriately moved and seconded.

Discussion followed concerning whether the gate could be opened illegally and what the legal responsibilities would be in such a case. There will be a lock on the fence. Yes, and that lock has been broken before. The fire dept. had to open the gate to get water. Well, they have a key. It was decided more keys would be made for each engine. Discussion was closed and vote taken.

The vote was affirmative.

**Article 7.** To see if the district will raise the sum of \$1250.00 to construct and install a new gate for the dam.

The motion to indefinitely postpone the article was appropriately moved and seconded.

The vote was affirmative as the Granite Lake Association had voted to raise and appropriate that sum for the repair.

**Article 8.** To see if the district will schedule its next meeting directly following the Granite Lake Association meeting in July, 2001.

The motion to accept as read was appropriately moved and seconded.

The vote was affirmative.

It was agreed that the meeting is always held on the second Sunday of July.

A discussion followed regarding when the work would begin. If the permit comes through to repair the bridge, then the work would begin as soon as the water reaches a low enough point after Labor Day. If the permit does not come in time to do the bridge work between the lake and the mill pond, then we would lower the level later on toward October. In any case we will proceed with the gate replacement. Lenny Frasier said he would help with screens to prevent fish going out of the lake. Another concern was how would residents and boat owners know when the water level would be changing. We agreed that prominent signs would be posted at the church and at the boat landing at least 1 week in advance, and we would put in the Keene Sentinel.

Grace Bell introduced the issue of the water level being too high. Several others agreed and we decided a board may be removed in the dam.

A motion to adjourn was appropriately moved and seconded.

The vote was affirmative.

In late November and early December a new culvert was installed under the bridge allowing much more water to pass and drain out in an emergency. At the same time a new gate was installed in the dam and the eroded cement work on the side of the dam was repaired.

Respectfully,  
Sally Ripley, Clerk

Motion by Joan Read, seconded by Mary Lou Eaton. Article two (2) is adopted.

This article will be printed on our November election ballot for final vote. As per RSA 659:4-a.

**ART. 3:** To see if the Town will vote to adopt the following Ordinance:

**DRUG PARAPHERNALIA ORDINANCE**

Section 1: Definitions:

- A. The term "Drug Paraphernalia" means all equipment, products and materials of any kind which are used, intended for use, or designed for use, in planting, propagating, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance in violation of NH RSA 318-B. It includes, but is not limited to:
1. Kits used, intended for use, or designed for use in planting, propagating, cultivating, growing, or harvesting of any species of any plant which is a controlled substance or from which a controlled substance can be derived.

2. Kits used, intended for use, or designed for use in manufacturing, compounding, converting, producing, processing or preparing a controlled substance.
3. Isomerization devices used, intended for use, or designed for use in increasing the potency of any species of plant which is a controlled substance.
4. Testing Equipment used, intended for use, or designed for use in identifying or in analyzing the strength, effectiveness or purity of a controlled substance.
5. Scales and balances used, intended for use, or designed for use in weighing and measuring controlled substances.
6. Dilutants and adulterants, such as quinine, hydrochloride, mannitol, mannite, dextrose and lactose, used, intended for use or designed for use in cutting controlled substances.
7. Separation gins and sifters used, intended for use, or designed for use in removing twigs and seeds from or in otherwise cleaning and refining marijuana.
8. Blenders, bowls, containers, spoons and mixing devices used, intended for use, or designed for use in compounding controlled substances.
9. Capsules, balloons, envelopes and other containers used, intended for use, or designed for use in packaging small quantities of controlled substance.
10. Containers and other objects used, intended for use or designed for use in storing or concealing controlled substances.
11. Hypodermic Syringes, needles and other objects used, intended for use, or designed for use in parenterally injecting controlled substances into the human body.
12. Objects used, intended for use, or designed for use in ingesting, inhaling, or otherwise introducing marijuana, cocaine, hashish or hashish oil into the human body such as:
  - a. Metal, wooden, acrylic, glass, stone, plastic or ceramic pipes with or without screens, permanent screens, hashish heads, or punctured metal bowls.
  - b. Water Pipes.
  - c. Carburetion Tubes and devices.
  - d. Smoking and Carburetion masks.
  - e. Roach Clips: meaning objects used to hold burning materials such as a marijuana cigarette that has become too small or too short to be held in the hand.
  - f. Miniature cocaine spoons and cocaine vials.
  - g. Chamber pipes.
  - h. Carburetor pipes
  - i. Electric pipes.
  - j. Air-driven pipes.
  - k. Chillums.
  - l. Bongs.
  - m. Ice pipes or chillers.
- B. In determining whether an object is Drug Paraphernalia, a Court or other authority should consider, in addition to all other logically relevant factors, the following:
  1. Statements by an owner, or by anyone in control of the object concerning its use.
  2. Prior Convictions, if any, of an owner or of anyone in control of the object under any State or Federal law relating to any controlled substances.

3. The proximity of the object, in time and space, to a direct violation of RSA 318-B.
4. The proximity of the object to controlled substances.
5. The existence of any residue of controlled substances on the object.
6. Direct, or circumstantial evidence of the intent of the owner, or of anyone in control of the object, to deliver it to persons who he/she knows, or should reasonably know, intended to use the object to facilitate a violation of RSA 318-B; the innocence of an owner, or of anyone in control of the object as to a direct violation of RSA 318-B should not prevent a finding that the object is intended for use, or designed for use as drug paraphernalia.
7. Instruction, oral or written, provided with the object concerning its use.
8. Descriptive materials accompanying the object which explain or depict its use.
9. National and local advertising concerning its use.
10. The manner in which the object is displayed for sale.
11. Direct or circumstantial evidence of the ratio of sales of the object(s) to the total sales of the business enterprise.
12. The existence and scope of legitimate uses for the object in the community.
13. Expert testimony concerning its use.

## Section 2: Offenses and Penalties:

- A. **Possession of Drug Paraphernalia:** It is unlawful for any person to use, or to possess with intent to use, drug paraphernalia, to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body controlled substances in violation of RSA 318-B. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.00), no portion of which may be suspended.
- B. **Manufacture or Delivery of Drug Paraphernalia:** It is unlawful for any person to deliver, possess, with intent to deliver, or manufacture with intent to deliver, drug paraphernalia, knowing, or under circumstances where one reasonably should know, that it will be used to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance in violation of RSA 318-B. Any person violating this section shall be guilty of a violation and shall be subject to a fine of One Hundred Dollars (\$100.00), no portion of which may be suspended.

Motion moved by Fred Ward to limit debate, seconded by Louis GrandPre'. Much objection followed. The Moderator calls for the vote. The voice vote being unclear a standing vote was called for. On a standing vote 66 in favor, 43 opposed, Article 3 is adopted to limit debate. Opposition to not have any debate continues with more discussion. Moderator requests that people stand to be heard and state their name. Motion by Alan Champney to reconsider Article 3 for debate. Seconded by Bud Driscoll. On a voice vote, Article 3 is reconsidered. Article 3 is now back to square one and open for discussion and debate. Motion by David Vaillancourt, seconded by Joann Vaillancourt to accept the motion. David Vaillancourt, Constable, explains this article which was proposed by the Stoddard Police Department. This ordinance is now a State Statute (RSA 318-B) and if this ordinance is adopted in Stoddard, money from arrests would go to the Town and not to the State. More discussion on the local level of this ordinance and how much revenue the Town would receive. Motion by Brian Michaud to move the question and limit debate. Seconded. On a voice vote the motion carries to move the question. Moderator calls for vote on the article. Article 3 is adopted on a voice vote.

**ART. 4:** To see if the Town will vote to send the following resolution to the New Hampshire General Court: Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources. (By Petition) The Selectmen recommend this article. Motion by Geoff Jones, seconded by Carolyn

Jones. Geoff Jones states this is a non-binding resolution and that Stoddard is in favor of the program which would benefit forestry, agriculture and historical preservation. Article 4 is adopted.

**ART. 5:** To see if the Town will pass an ordinance in order to protect the lakes, ponds and surrounding watershed areas within the Town of Stoddard, and to maintain the purity of the water therein, for public and private use. The following regulations are adopted and promulgated by the Selectmen of said Town of Stoddard: 1. No person(s) shall feed wild waterfowl within the boundaries of the town of Stoddard. 2. Any person(s) violating the provisions of 1, shall be guilty of a violation and subject to a fine of not more than Fifty Dollars (\$50.00) for each occurrence. (By Petition) The Conservation Commission and the Selectmen recommend this article. Motion by Geoff Jones, seconded by Joann Carr. Discussion follows. Due to the high content of e-coli in Highland Lake, the State recommends instituting this ordinance. Questions raised on who would enforce this ordinance, no agreement reached. Motion by Lucy Hill to amend Article five (5), Question one (1), seconded by George Davenport to read "No person(s) shall feed wild waterfowl within the boundaries of the Town of Stoddard on any public water body." Bob Hahn requests the word intentionally be added to the amendment. Agreed by Lucy Hill.

**AMENDMENT:**

Article five (5), Question one (1), will now read: "No person(s) shall intentionally feed wild waterfowl within the boundaries of the Town of Stoddard on any public water body." Amendment is adopted.

**SECOND AMENDMENT:**

Motion by Fred Ward, seconded by F. Hogg to strike out "any public water body" and leave the word intentionally.

Amendmetn would now read: "No person(s) shall intentionally feed wild waterfowl within the boundaries of the Town of Stoddard."

Article five (5), Question one (1) is adopted per Second Amendment. Motion carries.

**ART. 6:** To see if the Town will vote to raise and appropriate the sum of \$500.00 to maintain E-911 records. The Selectmen recommend this appropriation. Motion made by John Halter, seconded by Louis GrandPre`. Article six (6) is adopted.

**ART. 7:** To see if the Town will vote to raise and appropriate the sum of \$345.00 for the operation of the Stoddard Conservation Commission. The Conservation Commission and the Selectmen recommend this appropriation. Motion by Geoff Jones, seconded by Carolyn Jones. Article seven (7) is adopted.

**ART. 8:** To see if the Town will vote to raise and appropriate the sum of \$1,260.00 for the Lay Monitoring Program. The Conservation Commission and the Selectmen recommend this appropriation. Motion by Walter Serbent, seconded by Geoff Jones. Article eight (8) is adopted.

**ART. 9:** To see if the Town will vote to raise and appropriate the sum of \$500.00 for the residents of Stoddard to participate in four (4) town household hazardous waste collection days at the City of Keene Recycling Center. Two collection days will be scheduled on Saturdays in the spring/early summer and two will be scheduled at the end of the summer/early fall. Dates and times will be posted at the transfer station, Town Hall, Post Office, stores and local newspapers. The Conservation Commission and the Selectmen recommend this appropriation. Motion by Geoff Jones, seconded by Carolyn Jones. Article nine (9) is adopted.

**ART. 10:** To see if the Town will vote to raise and appropriate the sum of \$61,900.00 for Recycling and Transfer Station expenses for the ensuing year. The Selectmen recommend this appropriation. Motion by Louis GrandPre`, seconded by John Halter. Louis GrandPre` reports on pursuing the costs of items brought to the transfer station. The Waste Management Company said if we make an amendment to increase the appropriation by \$4,500.00 to \$66,400.00, they will accept each and every item. Also, at a later date, Waste Management will set up a system to accept waste oil.

**AMENDMENT:**

Alan Champney moves to increase the amount \$4,500.00. Seconded by Robert Haley.  
The amendment would now read:

"To see if the Town will vote to raise and appropriate the sum of \$66,400.00 for recycling and transfer station expenses for the ensuing year." Discussion follows. Motion on amendment carries. Article ten (10) is adopted as amended.

**ART. 11:** To see if the Town will vote to raise and appropriate the sum of \$4,225.00 for the operation and maintenance of the Davis Library. The Library Trustees and the Selectmen recommend this appropriation. Motion by Frances Rumrill, seconded by Lucy Hill. Article eleven (11) is adopted.

**ART. 12:** To see if the Town will vote to raise and appropriate the sum of \$18,215.00 for the operating budget of the Stoddard Fire & Rescue Department for the ensuing year. The Fire and Rescue Department and the Selectmen recommend this appropriation. Motion by Joe Sarcione, seconded by Brian Cahill. Article twelve (12) is adopted.

**ART. 13:** To see if the Town will vote to raise and appropriate the sum of \$23,976.00 for the lease payment of the four-wheel drive, front line pumper fire engine. The Fire and Rescue Department and the Selectmen recommend this appropriation. Motion by Brian Cahill, seconded by Joe Sarcione. Article thirteen (13) is adopted.

**ART. 14:** To see if the Town will vote to raise and appropriate the sum of \$7,500.00 for Antrim ambulance service for the ensuing year. The Fire and Rescue Department and the Selectmen recommend this appropriation. Motion by John Wilder, seconded by Joe Sarcione. Discussion follows. Article fourteen (14) is adopted.

**ART. 15:** To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the purchase of building material to finish construction on the building behind the fire station to house the rescue boat. The Fire and Rescue Department and the Selectmen recommend this appropriation. Motion by Brian Cahill, seconded by Joe Sarcione. Discussion follows. Article fifteen (15) is adopted.

John Halter reports on a request as to how much the 2000 taxes would increase if everything passes in this warrant. The increase would be approximately 42 cents per thousand.

**ART. 16:** To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the operating budget of the Stoddard Fire Warden. The Fire Warden and the Selectmen recommend this appropriation. Motion by Joe Sarcione, seconded by Shannon Sarcione. Article sixteen (16) is adopted.

**ART. 17:** To see if the Town will vote to raise and appropriate the sum of \$12,506 for Forest Fire Equipment. The Town is to be reimbursed for 80% of this sum (\$10,005) from Federal Grants which have been approved by the State Forest Fire Service. The Fire Warden and the Selectmen recommend this appropriation. Motion by Louis Clark, seconded by Shannon Sarcione. Article seventeen (17) is adopted.

**ART. 18:** To see if the Town will vote to raise and appropriate the sum of \$126,550.00 for winter and summer maintenance, emergencies and planned repair of Town roads and bridges. The Selectmen recommend this appropriation. Motion by David Vaillancourt, seconded by Louis GrandPre. Article eighteen (18) is adopted.

**ART. 19:** To see if the Town will vote to raise and appropriate the sum of \$120,000.00 (One Hundred Twenty Thousand Dollars) for the rebuilding, upgrading, and layout of a 7/10<sup>th</sup> mile section of Kings Highway extending from the Hidden Lake Civic Association sign/map to that portion of Kings Highway that is currently a Class V road, with \$60,000.00 to be raised by betterment assessment and the remaining \$60,000.00 to

be raised by general taxation. The Selectmen recommend this appropriation. Motion by Sam Kaczka, seconded by Walter Serbent.

AMENDMENT by Paul Dionne to read "To see if the Town will vote to unconditionally accept and layout as class V road a 7/10th mile section of Kings Highway extending from the Hidden Lake Civic Association sign/map to that portion of Kings Highway that is currently a Class V road, to raise and appropriate the sum of \$20,000.00 by betterment assessment on the users and abutters to pay for needed repairs for that section of road."

Seconded by Sam Kaczka.

Discussion follows. Louis GrandPre' (Selectman) explains that the costs of the engineers estimate for \$120,000.00 is over quoted and can be done at a more reasonable price. More discussion followed. The roadwork will be going out for bid and if this article passes the town will maintain this portion of the road as part of the maintenance of all the town roads. Amended Article adopted on voice vote, unanimously. Article nineteen (19) is adopted as amended.

**ART. 20:** To see if the Town will vote to raise and appropriate the sum of \$132,750.00 to defray Town charges for the ensuing year. The Selectmen recommend this appropriation. Motion by Dennis Marquis, seconded by Louis GrandPre'. Article twenty (20) is adopted.

**ART. 21:** To see if the Town will vote to raise and appropriate the sum of \$750.00 to set up and maintain a Web Site for the Town for the ensuing year. The Selectmen recommend this appropriation. Motion by John Halter, seconded by Dennis Marquis. Discussion follows. Article twenty-one (21) is adopted.

**ART. 22:** To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to continue Stoddard's participation with the coalition communities in opposition to the State Education Property Tax. The Selectmen recommend this appropriation. Motion by John Halter, seconded by Louis GrandPre'. Article twenty-two (22) is adopted.

**ART. 23:** To see if the Town will vote to raise and appropriate the sum of \$22,000.00 for the operating budget of the Stoddard Police Department. The Police Department and the Selectmen recommend this appropriation. Motion by David Vaillancourt, seconded by Frank Stuckey. Article twenty-three (23) is adopted.

**ART. 24:** To see if the Town will vote to raise and appropriate the sum of \$3,250.00 as the operating budget for the Stoddard Planning Board for the ensuing year. The Stoddard Planning Board and the Selectmen recommend this appropriation. Motion by Mark Krider, seconded by Pat Campbell. Article twenty-four (24) is adopted.

**ART. 25:** To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to fund Phase 1 of the Master Plan Update. The Planning Board and the Selectmen recommend this appropriation. Motion by Gael Minton, seconded by Harry Power. Article twenty-five (25) is adopted.

**ART. 26:** To see if the Town will vote to raise and appropriate the sum of \$715.00 for membership with the Southwest Region Planning Commission for the ensuing year. The Stoddard Planning Board and the Selectmen recommend this appropriation. Motion by Mark Krider, seconded by Pat Campbell. Article twenty-six (26) is adopted.

**ART. 27:** To see if the Town will vote to raise and appropriate the sum of \$1,200.00 as the operating budget of the Stoddard Zoning Board of Adjustment for the ensuing year. The Stoddard Zoning Board of Adjustment and the Selectmen recommend this appropriation. Motion by Beverly Power, seconded by Pat Putnam. Article twenty-seven (27) is adopted.

**ART. 28:** To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be used by the Recreation Commission for completing construction and original equipping of the ballfield located beside the James Faulkner Elementary School. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the

ballfield is completed and equipped or by December 31, 2001, whichever is sooner. The Recreation Commission and the Selectmen recommend this appropriation. Motion by Chet Pratt, seconded by Kim. Discussion follows. Article twenty-eight (28) is adopted.

**ART. 29:** To see if the Town will vote to raise and appropriate the sum of \$800.00 for Home Healthcare, Hospice and Community Services (HCS) to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. (By Petition) The Selectmen recommend this appropriation. Motion by Deb Krider, seconded by Joann Clark. Article twenty-nine (29) is adopted.

**ART. 30:** To see if the Town will vote to raise and appropriate the sum of \$1.00 per resident (Total \$630.00) for services provided by Monadnock Family Services to uninsured and underinsured residents of Stoddard. (By Petition) The Selectmen recommend this appropriation. Motion by John Secco, seconded by Joan Zelasny. Article thirty (30) is adopted.

**ART. 31:** To see if the Town will vote to raise and appropriate the sum of \$1,270.00 to help support the work of The Community Kitchen Inc. in Keene, NH. (By Petition) The Selectmen recommend this appropriation. Motion by Joann Carr, seconded by Carolyn Jones. Article thirty-one (31) is adopted.

**ART. 32:** To transact any other business that may legally come before this meeting.

All new elected officers to stay after the meeting to be sworn in by the moderator.

Motion by Mary Lou Eaton to adjourn the meeting, seconded by Sandy Sherman.

Meeting is adjourned at 9:45 pm

Respectfully submitted,

Joan A. Read  
Town Clerk

### School Board Report

The Stoddard School Board is particularly proud of its staff and students this year. Several of our students at Keene Middle School and High School achieved scholastic excellence recognition and our principal at James Faulkner Elementary School was chosen to speak in Japan.

Five students achieved High Honor Roll at Keene High School and eight students were named to the Honor Roll. One student made High Honor Roll at Keene Middle School and thirteen were named to the Honor Roll. That is a total of 27 students out of 56 who attend the Keene school system! Our congratulations go out to each and every one of them and a sincere thank you to George Cahill who so generously takes the time to collect this information each year.

The Board has been making every effort possible to attend Keene school meetings this year to be aware of changes and improve communication between school districts. The high school is currently undergoing a major construction project and our students have endured a lot of changes during this time.

Mark LaFleur, our principal and 4-5 grade teacher at James Faulkner Elementary School, was chosen by the American Embassy in Japan to speak there about the integration of technology in the classroom. His trip was sponsored by the State Department of Education. Mark was chosen by the embassy after they read an article in Newsweek magazine regarding the James Faulkner Elementary School's use of computers in the classroom. Kudos to Mark!

The Board would also like to take this opportunity to thank all of its staff, parents and volunteers who have so generously given to our school system and made it one we can be proud of! Thank you to each and every one of you for your countless hours of help and dedication to our school.

In other school news, an official audit was completed by Vachon, Clukay & Co. The company completed an internal control structure based on an audit of General Purpose Financial Statements. The results were exceptionally good.

The Community Room at James Faulkner Elementary School has been in constant use this year by the school and community. The school's Christmas program was attended by a full house this year. Many community organizations use the room, including Pathways, Sunday School, Stockade, soccer, Cub Scouts, Rock Hoppers Snowmobile club, Community Events Organizers (CEO), among many others. Several community dinners and events were held throughout the year.

This year the Board is asking for the community’s support in the article on the warrant to complete paving the roadway and parking areas around the school. This would provide a lot less maintenance and wear of the community room floor.

This year the Board received and adopted a new three-year salary schedule for our teachers. This is necessary to attract, hire and keep good teachers. One new teacher, Jessica Smack, was hired this year for grades K-1. We also hired Elizabeth Constable as our new music teacher and Bethany Bunker was recently hired as Food Service Assistant.

In closing, thank your for your continued support and we are looking forward to another successful year!

Respectfully submitted,

Brenda Howard, Chairperson

### Principal's Report

Stoddard's elementary school, the James M. Faulkner Elementary School, has gained two new staff members for the 2000-2001 school year. Liza Constable is our new Music teacher, who is also teaching music for the Nelson and Marlow schools. Jessica Smack is our new K/1 teacher. Jessica is a graduate of Keene State College with a degree in Science Education. Last year she spent her first year of teaching as a Title 1 teacher in the Troy Elementary School. Jessica lives locally at Granite Lake, and is engaged to be married this May.

Looking back at the spring of 2000, our school was involved in many exciting activities! The entire staff took part in putting together an Earth Day celebration in which all teachers and students worked together to prepare the school grounds for spring and summer. The project involved planting, building garden frames, spreading bark mulch and more.

There were also several school-wide activity days that were held. These days again, involved all staff and students. Each teacher chose a topic to present to a group of students. The students were given a list of the topics and were asked to select the one that they would like to work in. The activities ranged from making and flying gliders to a hands-on lesson in how to create a website.

Our Memorial Day celebration was made all the more special with the visit of local veterans who shared in our program, as well as sharing some of their knowledge with us.

With the school's greenhouse up and running, we were able to have the students grow plants from seed. After much care, the greenhouse was bursting with color. Students then took the flowering plants to local nursing homes, assisted living homes and some community members. It made for a wonderful Mother's Day and springtime event!

The school year ended with quite a big surprise when I received a call from the State Department of Education asking me to speak at a conference in Japan. The American Embassy was putting on a week-long conference about the use of the Internet in Japanese culture. They wanted me to attend the conference so that I could share how our school has integrated the use of technology into our curriculum. I am proud to say that many people were impressed with all that we have done and that we may very well have helped to inspire the Japanese government to better implement the use of technology into their classrooms.

This fall found Miss Smack's K-1 class to be very busy! They started the year off by learning about Monarch butterflies. The butterflies were a little difficult to find, but there were some great detectives that looked throughout Stoddard and Marlow and found six caterpillars to watch grow into Monarch butterflies.

They also learned about pumpkins and their life cycle. To top off this unit, they took a field trip to Stonewall Farm with Mrs. Sergeant's class. They all had a great day and even learned what other plants are in the same family as the pumpkin.

As a follow-up to all of this, we had a school-wide pumpkin carving event and all the pumpkins were donated to the Stoddard Fire Department to be taken to the Keene Pumpkin Festival. It was wonderful to be able to see our school and town represented at the Festival.

This past fall Mrs. Sergeant's 2/3 class studied many subjects including the Presidential election, science exploration, the Sydney Olympics, fairy tales, parts of speech and adding and subtracting whole numbers. During the Olympic study, students went on the Internet to follow the events and to graph the information. They also learned that it takes perseverance to become an Olympic athlete and made banners describing the qualities that make each student a gold medal winner in the classroom. Students are learning about various cultures, letter writing and sequencing in our fairy tale unit.

In Mr. LaFleur's class, this year's Science program started off in a combined effort of the second, third, forth and fifth graders in a program called "Let's Investigate!". This program was designed to enforce the use of observing and hypothesizing within science investigations. Students were engaged in the same process scientists use in their research. It was great to see the two classes work together as they made decisions and investigated. The 4/5 class then went into a science unit entitled "Science, Invention, Creativity: Looking at Leonardo". Using the works of Leonardo da Vinci as the focal point, this activity-based kit engages students in the exploration of science themes. Next, the class worked on "Electricity and Magnetism". Here students learned and experimented with static electricity, currents of electricity and what creates a circuit.

For Social Studies, much time was spent in looking at how the election process works, or in this year's case, does not work. Students studied the candidates and their issues, and even got a chance to vote online with Scholastic's voting page.

The 4/5 class has also been learning about the Middle Ages, which is the setting for one of our literature based Reading program books, The Whipping Boy. Students have been learning about the steps taken towards becoming a knight, and about the various suits of armor which were used in battle and in celebration. The unit will close with each student designing his/her own castle model. Chivalry lives on in the students of the Stoddard School!

The multipurpose room is being put to much use! There is something going on in there almost every night of the week, from Scouts and Stockade to Pathways and soccer games. And we sometimes manage to squeeze in some school events as well!

Respectfully submitted,

Mark LaFleur, Principal

### Annual Technology Report

Technology this past year in James M. Faulkner School has been implemented in a variety of ways. We bought another network PC in the fall of 2000 in order to allow more students and teachers access to technology and the Internet. Classes are beginning to see the computer as just another facet of the curriculum and not a special event.

Students in kindergarten and first grade have been learning basic computer knowledge, such as opening a CD-ROM, using a mouse and locating keys on the keyboard. The second and third graders have been learning how to properly shut down the computers, solve common problems (i.e. frozen screen), and how to navigate on a specific web site. Students in fourth and fifth grade have been learning how to use specific programs, and how to research on the Internet using teacher selected web sites.

Some of the specific activities that we have done over the year have been to vote in on-line polls, design multimedia book reports and/or presentations, illustrate reports and books using Kid Pix, and designing web pages. In the spring of 2000, Mr. LaFleur was invited to Japan to speak at a conference regarding our implementation of technology and how it is used in the school. The special education teacher has been using the Internet to help tailor individual education plans to classroom curriculum, and all the teachers have been utilizing the Internet and technology to assist them in their day to day teaching and planning.

**INDEPENDENT AUDITOR'S REPORT ON  
INTERNAL CONTROL STRUCTURE BASED ON AN AUDIT  
OF GENERAL PURPOSE FINANCIAL STATEMENTS**

To the School Board  
Stoddard, New Hampshire, School District

We have audited the general purpose financial statements of the Stoddard, New Hampshire School District as of and for the year ended June 30, 2000, and have issued our report thereon dated September 14, 2000.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

The management of the Stoddard, New Hampshire School District is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Stoddard, New Hampshire School District for the year ended June 30, 2000, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

However, we noted certain matters involving the internal control structure and its operations that we have reported to the management of Stoddard, New Hampshire School District in a separate letter dated September 14, 2000.

This report is intended for the information of management and the School Board. However, this report is a matter of public record, and its distribution is not limited.

## Stoddard School District

### Annual Meeting Minutes March 9, 2000

The meeting opened at 7:10pm at the James M. Faulkner Elementary School. Present were Business Manager, Jim Crane; Superintendent, F. Donald Jones; Board Chairman, Brenda Howard; Board members Carol Clark and Russ Huntley; Secretary, Helen Hayes, and Moderator, Dan Eaton. Also present were Principal, Mark LaFleur, Fran Irvine, Maggie Sergeant, Bob Gordon; Water commissioner of Rindge and Stoddard voters.

Moderator Dan Eaton called the meeting to order at 7:10 pm

ARTICLE #1 - OPENING OF THE POLLS – Carol Clark moved that the polls open be open for voting from 7:10 to 8 pm or the end of the meeting. Russ Huntley seconded the motion. All were in favor.

ARTICLE #2 - Russ Huntley moved that the District accept the reports of agents, auditors, committees, and other officers as printed in the Annual Report. Brenda Howard seconded the motion. The voters approved the motion by voice vote.

ARTICLE #3 - Brenda Howard moved that the District appoint the salaries of the School Board and fix compensation for other officers and agents as included in the 2000 – 2001 budget. Carol Clark seconded the motion. The voters approved the motion by voice vote.

ARTICLE #4 - Carol Clark moved that the District raise and appropriate sum of \$ 987,241 (Nine hundred eighty seven thousand two hundred forty one dollars) for the support of schools for the payment of salaries of School district officials and agents, and for the payment of statutory obligations of the district. Brenda Howard seconded the motion.

\*Voters questioned the budget increases in the building and grounds section of the 2000-2001 budget. The following were some of the major points discussed: \$ 4,000 (Four thousand dollars) was due to a rise in Operation of Buildings. Due to a lead & cooper problem in the faucets they need to be replaced to meet the E.P.A Environmental Report requirements. Discussion ensued.

\*Voters also asked if the school water was contaminated and Bob Gordon answered No it is not contaminated. The voters approved the motion by voice vote.

ARTICLE #5 – Steve Raymond moves that ARTICLE 5 be tabled George Davenport seconded. The voters accepted the motion.

ARTICLE #6 – Louis GrandPre' moved that there should be a listing in the annual report, of current expenses as of 12/15 of the present school year. SAU did agree to put this line in for the next 2001/2002 annual report. The voters approved the motion by voice vote. Danny moves to keep polls open until end of meeting.

### Report of the Superintendent

Greetings to the Citizens of Henniker, Stoddard and Weare:

I trust that you have taken the time to review the information included in this publication relative to your school district. The staff, administration and school boards have been working extremely hard to provide your children with a quality education while being very cognizant of tax rates and overall expenditures.

The reports, minutes and budget descriptions should give you a sense of what has been happening over the past year. The enclosed budget proposals will provide the necessary information to assist you in making informed conclusions as you decide on the financial support you will provide for the 2001 - 2002 school year.

One of the key characteristics of the schools in SAU #24 is the tremendous involvement that we have from you, the citizens of these districts. Your contributions assist in providing the extra set of eyes in a classroom, more opportunity for small group and individual attention for students, offering to drive a small group of students on a field trip, offering your expertise by presenting a lesson or demonstration to a class, giving your time to read to a class, or just being there to assist a teacher with a project. These are the endeavors that make schools successful - involvement, caring and giving of your talents. I speak for all of the staff and administration in sincerely thanking you for this commitment.

As we continually state, we encourage you to contact your child's teacher or school administrator to offer your opinions or ask questions about the schools. Together our schools will continue to improve and provide the best education possible for the children in our towns.

We appreciate your continued support and commitment for the public schools in your community.

Sincerely,

F. Donald Jones  
Superintendent of Schools

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report lists all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family. Based on this information, the Department of Revenue Administration calculates the percentage of Assessed Value to Market Value. Stoddard Assessed Value has been greater then Market Value since 1991.
